#### VERSE 1

No matter where I go  
There's always one thing that I'll know  
That it's you, this much is true

And no I cannot complain  
Cause it's so easy to maintain  
The things in my life when I'm with you

#### PRE CHORUS

And I can't get enough, since you stung me with your  
love

#### CHORUS

You're my bumble bee, and I can say right now  
We'll fly together, makin' honey with our nectar.  
And I can finally see, with my hexagonal eyes  
You're fine, be mine, cause you're my bumble bee

#### VERSE 2

See we started off friends but I could pretend  
I knew you were for me  
And no I'll never ever find  
A prettier bumble bee  
Oh I can't deny, I'll always need you by my side  
And you know it's right, we even got some matchin'  
stripes  
No I can't deny, that we're just friends is such a lie

#### PRECHORUS

And I can't get enough, since you stung me with your  
love

#### CHORUS

You're my bumble bee, and I can say right now  
We'll fly together, makin' honey with our nectar.  
And I can finally see, with my hexagonal eyes  
You're fine, be mine, cause you're my bumble bee

#### BRIDGE

It is time to realize, that we are more than this, we're

more than ordinary  
Friends, I'll say it all again you know it's true, cause you  
feel the same  
Way too

CHORUS

You're my bumble bee, and I can say right now  
We'll fly together, makin' honey with our nectar.  
And I can finally see, with my hexagonal eyes  
You're fine, be mine, cause you're my bumble bee
