Red lights won't stop this tonight  
You're speeding into traffic  
Check your hazard lights  
Babe, look over your shoulder  
I am pulling you over  
I'm checking for ID  
License and registration please  
I'm checking over your taillights  
What's that, in your backseat?  
I'mma need you to pop your trunk  
I think you're smuggling  
You might just get a ticket  
If you get disorderly  
Or maybe I might just write you a warning

You didn't see me coming  
Nor the roadblock  
You know just what I'm wanting  
And now you've gotta to stop  
It's too late to turn around  
To take another way home  
You're still in my jurisdiction  
And babe now you're in my zone

Tell me where you're headed  
What if I said forget it?  
You can't come through my checkpoint  
Without knowing where you're going  
I'm not gonna let you go  
I don't wanna let you go  
I need you to take a ride back with me  
From the checkpoint

Baby, you're under my surveillance  
Your tags are expired  
Do you know their outdated?  
If I choose to let you slide  
Next time, I'll write you a fine  
Why am I going easy on you?  
I'm not that type  
I'll give you a break  
Don't think this ends my investigation

Cause I show you have a history  
Of parking violations  
So move along, don't sit still

Why are you hesitating?  
Hey lady, cross the line  
Don't keep me waiting

You didn't see me coming  
Nor the roadblock  
You know just what I'm wanting  
And now you've gotta to stop  
It's too late to turn around  
To take another way home  
You're still in my jurisdiction  
And babe now you're in my zone

Tell me where you're headed  
What if I said forget it?  
You can't come through my checkpoint  
Without knowing where you're going  
I'm not gonna let you go  
I don't wanna let you go  
I need you to take a ride back with me  
From the checkpoint

Mam,  
Please step out the car  
You are  
Guilty as charged  
I was gonna let you go  
You're not gonna let me go  
I was gonna let you go  
You're not gonna let me go

I didn't see this coming  
Nor the roadblock  
You knew that you were wanted  
That's why you never stopped  
So what made you turn around  
To take another way home?  
I think you knew my jurisdiction  
Cause now you're in my zone

Tell me where you're headed  
What if I said forget it?  
You can't come through my checkpoint  
Without knowing where you're going  
I'm not gonna let you go  
I don't wanna let you go  
I need you to take a ride back with me
