You can think that I'm just playing games  
You can think that I'm doing you wrong  
You can think that I don't mean a word I say  
You can think what you want

And if you think you're gonna stop the way I feel about  
you  
Baby you're just wasting your time, 'cause I'm not  
changing my mind

Chorus #1:  
Can't stop the rain from falling down  
Can't stop the world from turning 'round  
Can't stop my heart from loving you  
No, no! No, No! No matter what you do, baby

You can trust that I'm gonna stay around  
You can trust that I'm treating you right  
You can be sure that I won't ever let you down  
Sure as there are stars in the night

If you think there'll ever come a day I'll live without you  
Baby you're as wrong as can be, can't change the way  
that I feel

Repeat Chorus #1

Chorus #2:  
Can't stop the reared from running free  
Can't stop this love I feel in me  
Can't stop my heart from loving you  
No, no! No, No! No matter what you do, baby

Can't stop the wind  
Can't stop the sea  
Can't stop the feeling I feel in me  
The night needs the stars, the stars need the sky  
And I'll always need you here in my life

Can't stop my love, can't stop my heart  
I'm in too deep, I've gone too far

Never gonna stop, never gonna stop loving you

And if you think you're gonna stop the way I feel about  
you

Baby you're just wasting your time, 'cause I'm not  
changing my mind

Repeat Chorus #1 Repeat Chorus #2 Repeat Chorus #1
