I can hear her heartbeat  
From a thousand miles.  
And the heavens open up  
Everytime she smiles.  
And when I come to her,  
That is where I belong.  
And I'm running through her  
Like a river song.  
She gives me love, love, love, love,  
Crazy love.  
She gives me love, love, love, love,  
Crazy love.  
She's got a fine sense of humor  
When I'm feeling low and down.  
And I'm coming to her  
When the sun goes down.  
Take away all my troubles,  
Oh, take away my grief.  
Take away my heartaches  
In the night like a thief.  
She gives me love, love, love, love,

Crazy love.

She gives me love, love, love, love,

Crazy love.

And I need her

In the daytime.

And I need her

In the night.

And I want to love

All around her.

Kissing her,

Kissing all the time.

When I'm returning

From so far away.

Give me some sweet loving

That brightens up my day.

And it makes me righteous,

And it makes me whole.

And it makes me mellow,

Right down to my soul.

She gives me love, love, love, love,

Crazy love.

She gives me love, love, love, love,

Crazy love
