Unbelievable describes your smile so sweet

Inconceivable that you're a part of me

Innocent look in your eyes

Love without compromise for me

It's a mystery

What did I do to deserve you

Only God's hands could have made you

And brought this dream to life

Always swore that I , I would never fall

I guess miracles happen after all

What did I do to deserve you

Oh Yeah

Unconventional, describes my love for you

Unconditional, cause there's nothing I won't do

I pray as this feeling grows

That you always touch the heart and soul of me

It's a mystery

What did I do to deserve you

Only God's hand could have made you

And brought this dream to life

Always swore that I , I would never fall

I guess miracles happen after all  
What did I do to deserve you  
I've waited all my life to hold such a treasure  
What is this feeling worth, there is no measure  
Tell me what can I do  
What did I do to deserve you  
Only God's hand could have made you  
And brought this dream to life  
Always swore that I'd , I would never fall  
I guess miracles happen after all  
What did I do to deserve you  
To deserve you
