Why should I fall in love

Turn my world upside down

One broken heart is quite enough

Why should I hold your hand

Feel my hopes start to rise

It's a long way down, and I cant fly

Chorus

Why should I fall in love

Why should I hold you

Why should I dream

I know myself, I'll just take it to extreme

I wanna keep you my whole life through

If you've got no one at least you've got no one to lose

Why should I fall in love

Wake up tomorrow with a smile

I'm of the kind that last a while

Why should I fall in love

Tell me baby

Chorus

Turn my life inside out

One broken heart is quite enough

Why should I fall in love
