[Verse 1]

she don't like ridin' on the back of your motor bike  
she made you sell it  
and she thinks football games are just a waste of time  
she's just jealous

[Bridge 1]

Traded me in for a Barbie Doll Girl  
Now you want to come back to the real world

[Chorus]

Our love didn't matter  
Yeah, you had to have her  
Well, boy you can have her  
La La Lucky You  
You don't get it  
But now you're stuck with it  
You might as well forget it  
La La Lucky You

[Verse 2]

Remember last fall when you helped me shoot my first  
buck  
she won't eat red meat

Or when we went camping and we came home covered  
in mud  
She won't get dirty

[Bridge 2]

She can do some damage with your credit card  
How's that addin' up for ya so far?

[Chorus]

[Bridge 3]

I was always there for you  
Nothin' that I wouldn't do  
'Til you broke my heart in two  
Baby,  
You say she's just a drama queen  
You wanna come and be with me

You're Beggin' down on your Knees..  
PLEASE!

[Chorus x3]

Yeah Yeahhh Eh Eh Yeah  
Yeah Yeahhh Eh Eh Yeah  
La La Lucky YOU!
