To all the tramp gold diggers
It's that nigga Mally G
Got a stretch limo
If you wanna demo this info
When I rock you
I'm not about to knock ya
We could party all day
Until it's time to fuck *ya ya bitch*
See I'm gonna tell you straight up
No need to wait up
I don't wanna be no man
Put a ring upon your hand
See I can tell bout the way that you approach bitch
That you want a big dick up in your flow bitch
And then I ran true
Bitches like you
Did what I had to do
Then let you run true the crew
And all that cum in your mouth that ain't no needing
Slow down bitch, cuz you're speeding
I like weed and cash

Rolling with my doggs on five

Claim them with a nine

Bitch coming down the dozing on a sunny day

And get done by Jamal

Course

I will put this in the shortest term known to me:

Don't trust no bitch

I will put this in the shortest term known to me:

Don't trust no bitch

Bitches acting funny

Fuck that, it ain't no mater to me

See I don't tramp *tell them why*

I maintain my

And still shine

I know this chick named Fay

Just to always come true, fucking with my nigga Tay

trick bitch

But I don't give a fuck

Beside, this bitch was quite tight

And she had a fat right

So I pulled it to the side on day

She was rolling down the block, on her way to see Tay

Spaces shit of the topic

Told the bitch hope in

Got the bitch hot

And let em know who rock the smack the racket

Back and dizzy, I was gone

She said that her man was sleeping the next day, so it's
on

The day passed

She came on the aftermath

Throw the bitch seen

Cucked the belly with the cream

And I opened the scene and the time flied by fast

At last, I'm about to put the dick up in the ass

She rolled dick to three in the morning

Then I said who long you've been blowing

And then she's all over my dick

And I ain't mad one bit
