25% of all men are unstable
25% of all men can't be faithful
30% of them don't mean what they say
and 10% of the remaining 20 is gay

That leaves you with 10% chance of ever finding your
man

That means you better pay attention to these words
that i say

Im gonna teach how to expose the 90%
And show you what to do to get the other 10

(chorus)

RULE #1

If he dont respect you girl he gone forget you girl

on you

and if he want some of your goodies he gone have to
work for it

RULE 4

Don't be a nickle out here lookin' for a dime

STATISTICS

(verse 2)

15% of all men got a complex

15% of all men don't practice safe sex

20% of them are from homes without a father

so there's a 50/50 chance that you'll marry a coward

something to think about when you're taking a shower

something to swallow when you drink your bottled
water

Im gonna teach how to expose the 90%

And show you what to do to get the other 10

(chorus)

(bridge)

Be patient

He's waitin'

you dont gotta settle for less

leave all that stress alon

get you a backbone

stop being sorry for yourself

Chances make champions

It's gonna take patience

Time is still wastin'

(chorus)
