Sleep well sweet child  
I am here to watch your dreams  
Don't be afraid  
The moon above just gleams for you  
Don't mind the wolf, he is not near  
He's a friend of the night, my dear  
Hush don't you cry, he is not near  
We are friends of the night, my dear

And I run and I hide in the dark  
Threatened by each distant bark  
Sleep little love, for heaven's sake  
It's not your fault; it's your cruel, ruthless fate  
It's not your fault; it's your cruel, ruthless fate

Prophecy of the old age  
Still sounding out my son's decline  
He is the one to free us from the tyrant  
So I flee from bloodhounds eager to kill

(And I sing) / (Sleep well sweet child)

I am here to watch your dreams  
Don't be afraid,  
The moon above just gleams for you  
Don't mind the wolf, he is not near  
He's a friend of the night, my dear  
Hush don't you cry, he is not near  
We are friends of the night, my dear

They shall not get my loving child  
As long as I am by his side  
I am the shadow runner in time  
Here and there, never to find  
Here and there, never to find

And I run and I hide in the dark  
Threatened by each distant bark  
Sleep little love, for heaven's sake  
Sleep for I'm here to fulfil your fate  
Sleep for I'm here to fulfil your fate
