I know times have been hard for you  
You tell me your hurting  
But I know you're gonna make it through  
With me  
You'll carry on  
Let yourself be strong now  
Tell me you're not alone

All this time on top of the world  
And it's a long way down  
One more brick on top of the world  
And we all fall down  
Don't take your time  
Like I've wasted mine  
We'll soon be gone tomorrow

You've got someone to talk you down  
Although it's not easy  
But don't stop  
You can do one more round for me  
I may be wrong  
But I think I belong here  
Tell me I'm not alone  
All this time on top of the world  
And it's a long way down  
One more brick on top of the world  
And we all fall down  
Don't take your time  
Like I've wasted mine  
We'll soon be gone tomorrow

Don't get blown away  
Whistle down the wind  
Don't fade to grey  
Your colours here to stay  
You'll carry on  
Carry on  
Carry on  
Ooh...  
Ooh...

All this time on top of the world

And it's a long way down  
One more brick on top of the world  
And we all fall down  
Don't take your time  
Like I've wasted mine  
We'll soon be gone tomorrow
