(Come) Closer you whispering in my ear  
It's not the things I wanna hear ? Dear  
What ya saying's insincere you drive me crazy

But if my name was tattooed round your heart line  
You'd have put my name up in the spot light  
And shown the world that I was on your mind So

I'm throwing out a rope  
It's dangerous I know  
But boy you've gotta reel it in before your mind and  
body explode  
I ain't gonna dream  
Bout what we could've been ya gotta let it go

I'm telling you once  
I aint saying it twice  
You should've been a bigger man and told her, coz it  
just aint right  
That your heartbeat is racing when you're by my side

Feel it rising like a flame  
The fire burns again  
It wont ever be the same  
I'm not your baby

The fever's back I must escape  
Keep rising like a flame  
Now or never hear me say  
I'm not your baby

Step up Once bitten now twice shy  
Don't drown me with those little white lies I  
Don't wanna be the tears in her eyes, not that not me.

Listen up boy I'm gonna spell it out  
I aint gonna play your swings and round a bouts

I did it once before and you let me down down

I'm Down with your love  
And all that stuff

I'm Down on myself for thinking  
That you could be enough  
I ain't listening  
I ain't giving in  
I'm giving you up.

I'm telling you once  
I aint saying it twice  
You should 've been the bigger man and told, it just  
aint right  
That I still feel your heartbeat racing when you're by  
my side

Feel it rising like a flame  
The fire burns again  
It wont ever be the same  
I'm not your baby

The fever's back I must escape  
Keep rising like a flame  
Now or never hear me say  
I'm not your baby

I'm giving up, giving up, giving up on you  
Giving up, giving up, giving up on you  
I'm giving up, giving up, giving up on you  
I'm giving up on you

Feel it rising like a flame  
The fire burns again  
It wont ever be the same  
Can't be your baby  
The fever's back I must escape  
Keep rising like a flame  
Now or never hear me say  
I'm not your baby
