When I am alone  
I can see one more time  
When I am about to move on i can hardly breathe  
Chains in the heart  
And those sleepless nights of bliss  
Its easy to leave you behind but thats not like me

Oh tell me  
Tell me its all right  
Oh tell me tell me you are mine

Am I afraid?  
What a faithless blast of thoughts  
I don't want to give up, it'si»¿ been years I've been told around  
So keep to ourselves  
Keep on staring at the past  
When finally stop being in love I can't remember

Oh tell me  
Tell me its all right  
Oh tell me tell me you are mine

But i'm alone again  
I'm a lonely dame  
As we're whispering goodbye  
Can be forever  
I've got a truth to tell  
You're my daring man  
As we're staring at the end  
Can be forever ever  
Never  
Never

But I'm a fool again  
Oh no, I'm the fooliest dame  
As we're staring at the end

Can't be forever ever

Never

Never

Guess I'm alone again

I'm a lonely heart

As we're staring at the end

Can be forever ever

Never

Never
