She says
Idaho is calling you home
Old friends and lovers
Returning the blows

Cry me a river
Misunderstood
(If you're misunderstood)
For all ever after
Knew that you would
(How I knew that you would)

I didn't turn on
You turned away
No one is listening anyway

She says
Idaho is calling you home
Old friends and lovers
Returning the blows

Cry me a river
For misunderstood
(If you're misunderstood)
For all ever after
Knew that you would
(How I knew that you would)

I didn't turn on
You turned away
No one is listening anyway

(Time is the best thing for giving in)
(Time is the best thing for giving in)
No one is listening anyway

(Time is the best thing for giving in)
(Time is the best thing for giving in)
No one is listening anyway

(Time is the best thing for giving in)
(Time is the best thing for giving in)

No one is listening anyway

(Time is the best thing for giving in)

(Time is the best thing)

No one is listening

She says

Idaho is calling you home
