Stories been boarded up again  
Old sins forgotten for new sins

Your habits get old  
Your habits get old  
I wanted to say  
How I wanted to say

Miss the Valentine House sometimes  
Good times compounded on good times

What's come over you since?  
What's come over you since?  
I wanted to say  
How I wanted to say

Losing you, I would know  
I feel partially responsible, I'm confused  
And all I can do  
Is quietly grin and resent you

Phone calls made with such urgency  
Speaking half-truths

She doesn't know  
What she doesn't know  
Wanted to say  
How I wanted to say

Losing you, I would know  
I feel partially responsible, I'm confused  
All I can do  
Is quietly grin and resent you
