ERASE THE MILES 2010 KC & NEWGRASS REVIEW
VERSION

(INTRO) Mandolin / Guitar

Do you miss me-- in Carolina?
Well I miss you--- in Tennessee
Do you wish I --- was there beside you?
Well I wish you- were here with me

I know its not--- the ideal-- situation
My heart's become a part --of the band.
It's a common hazard ---in the occupation
You know I'll love you - just as much as I can

So I'll dream --- till I hear-- you love me
And I'll hope --- till I see - your smile
Wish I -- could hold you forever

And somehow erase all the miles

(Guitar /Mandolin/ Break)

Well tomorrow -- itÂ's Pennsylvania
Then itÂ's on -- to the city of sin
I'll hold to your love - and to your memory
Until - I can see - you again
So I'll dream --- till I hear you love me
And I'll hope --- till I see your smile
Wish I could hold - you forever
And somehow - erase all - the miles

(Fiddle Break)

Wish I could hold - you forever
And somehow - erase all - the miles

(OUTRO) Guitar / Fiddle
