Woman Noun:

female adult human being. Wife. Mother.

Mannequin Noun:

Synthetic 3 dimensional representation of the perfect human form.

Woman, Mannequin...

Womannequin:

ooh whoa ohhh whoa..ohh whoa whoa ohh
ooh whoa ohhh whoa..ohh whoa whoa ohh

Mirror, Mirror on the wall
Why I feel so insecure
Models on a posterboard
Normal ain't no good no more
Mirror, Mirror is it me
Why they strip my self esteem?
I'm compared to Loreal before they even airbrush me

They give me fake hair, fake nails, fake eyelashes
I've had barbies that are less plastic
girlfriend we are just additive addicts
Me, I'm groomed NO, I'm organic!
Life would be nice with a body like Hallie
Flawless on the Hollywood Screen
But my legs Ain't long like Tyra Banks
Doctor What can you do for me?

Chorus:

Girl don't hide
Cause you don't need nobody to tell you
That your so fly
Don't need No SuperFicial, Artificial
Everybody needs a real woman
No, Don't you want a real woman?
No, Don't you want a real woman?

No, Don't you want a real woman?
No, Don't you wanna wanna

My perfections unconventional
I'm made from another mold
There ain't nothing wrong with me
No injections gonna make me whole
Fix something that's really broke
like views of femininity

Their like OMG it's a girl with a brain
Time moves on, but times ain't changed

People still Medievu (Spanish word for Medieval)
she still following along like sheep do.

Only thing complex about her is a complex
Unsatisfied in a whole new context
It's like Bam a brand new product
something to hawk
why we so self conscious so..

Chorus:

Girl don't hide
Cause you don't need nobody to tell you
That your so fly
Don't need No SuperFicial, Artificial
Everybody needs a real woman
No, Don't you want a real woman?
No, Don't you want a real woman?
No, Don't you want a real woman?
No, Don't you wanna wanna

Bridge rap:

Hey sisters!

let me bring it back home
I ain't trying to be a clone
I'm a hottie with a body
No Psychology will make me a Womannequin

When I'm hanging with the fellows they step, step, to
me
Baby girl I like, like, your ja-jelly.
Girl we proud that you ain't one of the crowd,
that you ain't a Womannequin

Chorus:

Girl don't hide
Cause you don't need nobody to tell you
That your so fly
Don't need No SuperFicial, Artificial
Everybody needs a real woman
No, Don't you want a real woman?
No, Don't you want a real woman?
No, Don't you want a real woman?

I'm real, so real

this is for all my "real ladies out there" Yeah.

ooh whoa ohhh whoa..ohh whoa whoa ohh
ooh whoa ohhh whoa..ohh whoa whoa ohh
