[INTRO]

\*Sigh\*

Professor Lupin

Lalalalalalala

Professor Lupin

Lalalala

[CHORUS]

I, want to tell you about

A little secret

Professor Lupin

Iâ'm sure that Dumbledore

Wouldn't approve

Now I can see why

They sacked the other Dark Arts teachers

You know it kind of makes sense

[VERSE 1]

First we had Quirrel

But he was out of his mind

Out of his, out of his mind

Next there was Lockhart

I guess he wrote some dumb books

I never, I never read them

[CHORUS]

I, want to tell you about

A little secret

Professor Lupin

Iâ'm sure that Dumbledore

Wouldn't approve

Now I can see why

They sacked the other Dark Arts teachers

You know it kind of makes sense

[VERSE 2]

I remember Moody  
Who wasn't Moody at all  
He was just, he was just Crouch  
(Junior!)

Who'd forget Umbridge  
That mean old inquisitor  
I was so glad when she left

That year was Snape  
He wanted that job so bad  
Go back to, go back to potions

[CHORUS]  
I, want to tell you about  
A little secret  
Professor Lupin

I'm sure that Dumbledore  
Wouldn't approve

Of a crush I have  
On a former, teacher

What can I say  
I guess werewolves are kind of cute

Now I can see why  
They sacked the other Dark Arts teachers  
You know it kind of make sense
