Come on and dream some paradise
Dream, dream, dream some paradise
The time is right, grab a little happiness tonight

Shut off all your troubles, oh that's all it takes
The joys you'll feel will taste sweeter than real
Till the night comes out and the city awakes

Come on and dream some paradise
Dream, dream, dream of paradise
The time is right, grab a little happiness tonight

Let your hair down and hang it all out
Keep what life is all about
Don't hold back, come with me
Ain't a thing you can't be

Be your own girl and do your own thing
Cut the puppet from the string
You can smile, a smile? I'll tell
Tell the world to get to hell

Come on and dream some paradise
Dream, dream, dreams of paradise
The time is right, grab a little happiness tonight

Love is when we gamble
When I lay my chips on you
So roll the dice and break the ice
It's time you knew what love can do, oh

Come on and dream some paradise
Dream, dream, dream some paradise
The time is right, grab a little happiness tonight

Dream, some paradise
Dream, dream, dream some paradise
Come on and dream some paradise, yeah
Come on and dream, dream, dream some paradise

Why don't you dream some paradise, yeah

Come on and dream, dream, dream some paradise
Ain't no harm to dream some paradise, y'all
Come on and dream, dream, dream some paradise

Come on and dream some paradise
Dream, dream, dream some paradise
Lord, dream, oh, some paradise
Come on and dream, dream, dream some paradise

Yeah, dream some paradise
Come on and dream, dream, dream
Harlem, come on, it ain't no hard to dream
Yeah, dream, dream, dream, hey hey hey, hey hey hey

And dream some paradise, yeah
Come on and dream, dream, dream
Dream some paradise, yeah
Come on and dream, dream, dream, the Lord knows

Come on and dream some paradise
Come on and dream, dream, dream
Yeah, dream some paradise
Come on and dream, dream, dream

Dream some paradise
Come on and dream, dream, dream
Yeah, come on Harlem and dream some paradise
Come on and dream, dream, dream

Oh, dream some paradise
Come on and dream, dream, dream
You got to, I got to dream some paradise
Come on and dream, dream, dream

Dream some paradise
Come on and dream, dream, dream
You got to, I got to dream some paradise
Come on and dream, dream, dream
Dream some paradise
