Ooh ooh ooh ooh
Ooh ooh ooh ooh ooh

If I had to choose,
I only wind up choosing you
And if, if that choice were mine,
I'll write to words to set your tune
Ooh-ooh-ooh, ooh
But if I had my way
I'd spend my whole life loving you

Yes, I would
Don't you know I would
Yes, I would

And if I could decide,
Which way the road should turn
Ooh ooh ooh, my love would never hide
And my bridges, baby, I never have to burn
But if I had my way, don't you know that
I'd spend my whole life love, loving you, ooh

Loving you, you, ooh, ooh ooh
That is pepole were always asking
How you doing?
But I know
I know that they don't give a damn, no, no
They only want to know
That you and I are through, ooh ooh ooh
Through (ooh ooh ooh ooh)
Throoooooough
Through, ooh ooh ooh ooh

Stay, if I took my time
That will make your life, oh yes I would
A summer day
Ooh ooh ooh ooh, but if I had my way
I'd spend my whole life loving you
