Impossible, ooh impossible

It's impossible, tell the sun to leave the sky

It's just impossible

(It's impossible)

It's impossible, ask a baby not to cry

It's just impossible

Oh, can I hold you, closer, closer to me, baby

And not feel you, going through me

Split the second, honey, that I never, never think of you

Oh, how impossible, oh ho, oh ho, ooh

Can the ocean keep from rushing to the shore

It's just impossible

(It's impossible)

If I had you could I ever want for more

It's just impossible

Oh, and tomorrow should you ask me for the world

Somehow I'd get it, baby, I'd sell my very soul

I won't regret it, no, no, for to live without your love

Oh, it just ain't no way, oh no, oh no baby

No no no no no no no

Can the ocean keep from rushing to the shore?

It's just impossible

(It's impossible)

If I had you could I ever want for more

It's just impossible

Oh, and tomorrow should you ask me for the world

Somehow I'd get it, baby I would sell my very soul

I won't regret it, no, no, for to live without your love

Oh, it just ain't no way

Impossible, ooh impossible

Impossible, ooh impossible

Impossible, ooh impossible
