Far away, oh this shit will take you and I'll see you on  
the other side

Second chance, now make up your mind and we'll  
venture to a different time

Faceless. Romantic. You want it. I have it.

When I see you, you hide. Baby now you've hurt my  
pride

Take this, I made it. But I won't explain it.

Buy the ticket, take the ride. I'll see you on the other  
side.

You're telling me you're low on battery and too sad  
to see me

But as I leave I see you standing there eating panda  
berries

Come together

On a feather

Come and join this world of pleasure

Without measure

Without measure

And come assimilate with me

Come together

On a feather

Come and join this world of pleasure

Without measure

Without measure

And come and sail away with me

Come together

On a feather

Come and join this world of pleasure

Without measure

Without measure

And come and slip away with me

Come together

On a feather

Come and join this world of pleasure

Without measure

Without measure

And come assimilate with me

Underneath:

You are he

I am she

And we're all me

(x2)

Far away from me since you walked out and left me on  
the other side

Second chance, the which I gave you to come back to  
this different time

Flaccid, Fantastic. My motives are drastic.

Take me back and clear my mind. Turn me up to  
overdrive.

Blitzkrieg and Tetris. Depressed and electric.

You've seen the sign, and you're mine. Now come  
back to the other side.

You're telling me you're low on battery and too sad  
to see me  
But as I leave I see you standing there eating panda  
berries

Come together

On a feather

Come and join this world of pleasure

Without measure

Without measure

And come assimilate with me

Come together

On a feather

Come and join this world of pleasure

Without measure

Without measure

And come and sail away with me

Come together

On a feather

Come and join this world of pleasure

Without measure

Without measure

And come and slip away with me

Come together

On a feather

Come and join this world of pleasure

Without measure

Without measure

And come assimilate with me

Underneath:

You are he

I am she

And we're all me

(x2)

Come together

On a feather

Come and join this world of pleasure

Without measure

Without measure

And come assimilate with me

Come together

On a feather

Come and join this world of pleasure

Without measure

Without measure

And come and sail away with me

Come together

On a feather

Come and join this world of pleasure

Without measure

Without measure

And come and slip away with me

Come together

On a feather

Come and join this world of pleasure

Without measure

Without measure

And come assimilate with me

Underneath:

You are he

I am she

And we're all me

(x2)
