BURN! (x8)

Even the rich

Crave for your flesh

Even your stars

We will ingest

Ya! Fake!

Ya! Cruel

Ya! Blind!

Burned in your white dress!

Iâ€™m here!

Iâ€™m now!

Iâ€™m notâ€¦

Settling for less!

BURN! (x8)

Even idols

Can fall from grace

Even your gods

We can replace

Ya! Cold!

Ya! Weak!

Ya! Scared!

Pulled up then depressed!
It's clear!

I'm right!

I'll fight...

Until my last breath!

I think it's time we start again

Without gods and only men

Angels burning, falling first

Without gods we'll rule the earth

I think it's time we start again

Without gods and only men

Angels burning, falling first

Without gods we'll rule the earth

I think it's time we...

I think it's time we start again

(x2)

BURN! (x8)
