Can you get me my fix?

Iâ€™m dependant on it

My 8-bit drug fit

Doctor I think I feel sick

Iâ€™m puking colors every time I spit

I think itâ€™s why I really canâ€™t commit

My 8-bit drug fit

Welcome to digital hell

Where black and white rainbows swell

Welcome to digital hell

Binary angels fell fell fell

Welcome toâ€¦

Welcome toâ€¦

Digital Hell

2600 ways to hit

Pretending that my fuses are all lit

But you know why I really canâ€™t quit

My 8-bit drug fit

Welcome to digital hell

Where black and white rainbows swell

Welcome to digital hell

Binary angels fell fell fell

Welcome toÂ...

Welcome toÂ...

Digital Hell

She stepped online

Spectrogram in her eyes

Her tears were neon ladybugs now theyÂ're crawling
all over me

She took my hand

Danced me through circuitry

Machines in the sea void warranty

Welcome to digital hell

Where black and white rainbows swell

Welcome to digital hell

Binary angels fell fell fell

Her tears were neon ladybugs TheyÂ're crawling all
over me

Tears were neon ladybugs TheyÂ're crawling all over
Digital Hell
