If you hate your fellow man

Scream YA YA YA YA YA

If you hate your fellow man Scream!

If you hate your fellow man

Scream YA YA YA YA Y

If you hate your fellow man

Scream Fuck Ya! (x2)

All fire engine red

Til I feel your Tesla touch

My magnus, my opus

Or do I think I think too much

If you hate your fellow man

Scream YA YA YA YA YA

If you hate your fellow man

Scream Fuck Ya! (x2)

IÂ'm off of all my meds

And speaking ill of the dead

My devils, my demons

Painting me fire engine red

If you hate your fellow man

Scream YA YA YA YA YA

If you hate your fellow man
Scream Fuck Ya! (x2)

Sometimes, Sometimes, Sometimes I want to t-t-take

A gun, a gun, a gun, a gun, a gun

Sometimes I want to...

Sometimes, Sometimes, Sometimes I want to t-t-take

A gun, a gun, a gun, a gun, a gun

Sometimes I want to.

Sometimes I want to, want to, want to, want to take a
gun

And color, color, color, color, color, color

The, the, the, the, the world.

The world, the world, the world.

If you hate your fellow man

Scream YA YA YA YA YA

If you hate your fellow man

Scream Fuck Ya! (x2)

Peel your skin

Peel your skin

Peel your skin

Then I'll wear it
