Ladies and Gentlemen, children of all ages

I bring you: your love, your pride,

He's your Superjet.

A plague best described as celebrity

The final form and the calamity

It's a confusing false reality

But fill your cup now as I bleed

Bleed Bleed Bleed

Ladies and Gentlemen coming before us again

The envy of the world, the saviour of us all,

Your beloved Superjet.

Breathe faith into me

Seal my destiny

IÂ'll solve it but then forget

And be your Superjet

Breathe faith into me

Seal my destiny

IÂ'll solve it but then forget

And be your Superjet

She tells me I'm the shiny chosen one

The second coming of the robot son

It's so confusing that you'd think it's fun

To cast me out and tell me run

Run Run Run

You begged for it, you got it!

Coming to the stage again

The one, the only, Superjet.

Breathe faith into me  
Seal my destiny

I'll solve it but then forget

And be your Superjet

Breathe faith into me

Seal my destiny

I'll solve it but then forget

And be your Superjet

Breathe faith into me

Seal my destiny

I'll solve it but then forget

And be your Superjet

Breathe faith into me

Seal my destiny

I'll solve it but then forget

To be your Superjet

She tells me I'm the shiny chosen one

The second coming of the robot son

Breathe faith into me

Seal my destiny

Iâ€™ll solve it but then forget  
And be your Superjet  
Breathe faith into me  
Seal my destiny  
Iâ€™ll solve it but then forget  
And be your Superjet  
Breathe faith into me  
Seal my destiny  
Iâ€™ll solve it but then forget  
And be your Superjet  
Breathe faith into me  
Seal my destiny  
Iâ€™ll solve it but then forget  
To be your Superjet
