Promise me you'll never change.
Things will always be the same (the same)
We'll be out of love again.
I'm in your hands

chorus:

All that I am,
All I've ever been
Kiss goodbye when you said kiss me
All that I am,
All I've ever been
I left behind when you settled with me
All that I am
All that I
All that I

All that I am

Suddenly I'm whole again
Ran you me by this whole world, the same
You're my son and you're my right
You're all I am
You're all I am

{chorus}

All the way you bring me back to life, oh
Wouldn't trade it for the world I left behind
There's nothing I won't sacrifice
You're all I am tonight
All that I }
All that I } 4
