Maybe this time
After six years gone, the Ticâ€™s still there
Maybe this time
All the cuckoos they will sing for us

Maybe this time
Iâ€™ll get the right flight out and wonâ€™t say no
Maybe this time
In foreign streets you wont feel so alone

Oh my rebel, rebel rose
Come back home
Oh my rebel, rebel rose
Come back home

I remember our first walk
Oh, the turrets in the clouds
Study fires and bracelet charms
And duvets in my car

So batten down, the trailer trucks
Be careful I may spoil you
Victorious, we are the same
We got us in common

Oh my rebel, rebel rose
Come back home
Oh my rebel, rebel rose
Come back home

Come back home, home
Come back home, home
Come back home, home
Come back home, home

Oh my rebel, rebel rose
Come back home
Come back home
Oh my rebel, rebel rose
Come back home

Oh my rebel, oh my rebel rose

Come back home
Oh my rebel, oh my rebel rose

Come back home, home
Come back home, home

Come back home
