Screaming Culture – Learn to Survive

Hunny Everyone has bad dreams  
Is the times we live in  
It's hard to be happy  
And it's hard to feel safe

It's nothing to do with people  
It's to do with the ratings  
For fifty years we told them what to eat  
What to drink what to wear  
For Christ's sake Ben don't you understand  
We give 'em what they want  
We're number one Ben  
That's all that counts

Hunny Everyone has bad dreams

Is the times we live in  
It's hard to be happy  
And it's hard to feel safe

You can't change this world son  
Only Learn how to survive in it

But I tried didn't I  
God Damn it  
At Least I did that

Hunny Everyone has bad dreams  
Is the times we live in  
It's hard to be happy  
And it's hard to feel safe

You can't change this world son  
Only Learn how to survive in it
