Go when you want, I'll live
I'm not forcing you to be with me
We had a good run and for a while
I kept you busy

And I give in
I understand
You are too beautiful for one man
And I knew that going in

Let's draw the
Line between what's yours and what you borrow
I want everything you own out by tomorrow
The last 5 months not once was I unkind
But I choked you in my dreams a dozen times

You always said that you were easy to get into
And you were up from air about all the men you'd been
through

I give in
I understand
You are too wonderful for one man
And I knew that going in

Let's draw the
Line between what's yours and what you borrow
I want everything you own out by tomorrow
The last 5 months not once was I unkind
But I choked you in my dreams a dozen times

And as you go through life
Think of me from time to time
I'm sure the things you've done
Will haunt you down the line

I give in
I understand
You are too beautiful for one man
And I knew that going in

Let's draw the

Line between what's yours and what you borrow
I want everything you own out by tomorrow
The last 5 months not once was I unkind
But I choked you in my dreams a dozen times

Let's draw the
Line between what's yours and what you borrow
I want everything you own out by tomorrow
The last 5 months not once was I unkind
But I choked you in my dreams a dozen times
