Go when you want, I'll live  
I'm not forcing you to be with me  
We had a good run and for a while  
I kept you busy

And I give in  
I understand  
You are too beautiful for one man  
And I knew that going in

Let's draw the  
Line between what's yours and what you borrow  
I want everything you own out by tomorrow  
The last 5 months not once was I unkind  
But I choked you in my dreams a dozen times

You always said that you were easy to get into  
And you were up from air about all the men you'd been  
through

I give in  
I understand  
You are too wonderful for one man  
And I knew that going in

Let's draw the  
Line between what's yours and what you borrow  
I want everything you own out by tomorrow  
The last 5 months not once was I unkind  
But I choked you in my dreams a dozen times

And as you go through life  
Think of me from time to time  
I'm sure the things you've done  
Will haunt you down the line

I give in  
I understand  
You are too beautiful for one man  
And I knew that going in

Let's draw the

Line between what's yours and what you borrow  
I want everything you own out by tomorrow  
The last 5 months not once was I unkind  
But I choked you in my dreams a dozen times

Let's draw the  
Line between what's yours and what you borrow  
I want everything you own out by tomorrow  
The last 5 months not once was I unkind  
But I choked you in my dreams a dozen times
