#### Verse 1

First time that I took her out, Well I behaved myself  
And just like her daddy told me, I had her home by  
twelve.

The second time I dropped her off, I pushed back her  
curl

To kiss her on the cheek, she said "I'm not that kind of  
girl."

#### Verse 2

First time I came down on her, I loosened up the knot  
She said "I'm going back to school, If that's all you  
got."

There's nothing she won't let me do, there's nothing  
she can't take.

My options and her filthy mind are keeping me awake.

#### Chorus:

I feel like I've been wasting time by moving in so slow,  
If you wanted me to treat you like that, Why didn't you  
say so?

"Twist your fist so I can feel it." she used to say it, now  
she squeals it,

"Hit me harder, I can take it" she likes snakes and  
sleeping naked.

#### Verse 3

She's got scars across her back, and rug burns on her  
knees,

She's got twenty pairs of cuffs, but onlky five have  
keys.

I found a bomb beneath my bed, I pulled out the wires,  
I pushed her down a flight of stairs, she set me on fire.

#### Chorus:

I feel like I've been wasting time by moving in so slow,  
If you wanted me to treat you like that, why didn't you  
say so?

"Twist your fist so I can feel it." she used to say it, now  
she squeals it,

"Hit me harder, I can take it" she likes snakes and

sleeping naked.

Bridge

Broken beds, Bloody noses, baseball bats, and rubber hoses.

"Lead into me," I intend to. "Break it in the back door," I RESPECT YOU!

Verse 4

I can hear her high heels click up seven flights of stone,

(She's comin to get cha! )

Ropes and knives and lots of blade, the blade's a throat to bone.

(Comin to get cha! )

Mother help me, get her off me! Save your baby's neck. She's gone bowling, my heads rolling and I can't catch my breath.

Chorus:

I feel like I've been wasting time by moving in so slow,  
If you wanted me to treat you like that, why didn't you say so?

(Say so, say so, say so)
