are you running much too slow to trust

look into my eyes
listen to me sing

hold my hand we'll
just fine

Her heart is filled with love
the cherry blossom hearts above tell me what to say to
be just right

in hopes that when we sleep you'll hold me tight
because
before we fall asleep we'll be in love

Don't cry blue skies
baby wont you look into my eyes
listen to me sing
this is yours and mine
hold my hand we'll be
just fine

And when she fell asleep she dreamed
of doves
because before we fell asleep we were in love
