[Verse 1]

I remember when Pharrell use to rap in tight jeans with
Ice Creams
Or ridin' a skateboard it was like sight seeing, to lames
Who was afraid of change
If my middle finger could speak then I say the same
man
I stay my name....call me legacy bitch
Mr. Sweetheart AKA let me see tits doing too much like
a marble back flip
Jeans stay skinny like I starve my fabric
Where da haters at? hellur I found you
No I don't give a F word about you
I do me leave us alone
Why don't you do you and go hump a clone
Get it?
Aye, another damn thing
You'll never see me care about another man's jeans
I don't even know, like all through the year seem
Like everywhere I go the only thing that I hear is

[Chorus]

(Da da da da) New Boyz
(da da da da) tight jeans
(Da da da da) New Boyz
(da da da da) tight jeans
Oh my God, why they jeans so tight!?
Oh my, oh my, oh my God, why they jeans so tight!?
Yea I rock skinnies
Yea I rock, yea I, yea I rock skinnies (So what?)
Yea I rock, yea I, yea I rock skinnies (So what?)
Yea I rock, yea I, yea I rock skinnies
(If you got something to say then please step up)
(they like crickets to me)

[Verse 2]

Look, I scoot back let me give y'all y'all shine
Y'all get money best believe I'ma get mine
I see hater and I'm looking at them
'Like please let me breathe'
Why y'all niggas hatin' on my skinny jeans?
Fresh kicks like a kindful magician

He must be missing the simple fact that I'ma get it
You ain't with it
Nike clothing outfits you like this
Brothers actin' stiff like cactus
They comin' up hard
But they soft like fabric
They liein' sayin' they the best like Khaled
They chose me, it's obvious I meant for the best
Skinny jeans sag low and I know y'all know the rest
I'm Ben J bro' why these dudes wanna trip?
Even though I like to flash
Get it jerkin' in my kicks
I'ma just keep it straight like no one else
Bright colors is here New Boyz, is near, ha!

[Chorus]

[Verse 3 - Tyga]
