cause them cats be on that fish shit.
Ughh, she said she'll hear the tune because it's worth
it,
She want many men, taking shots like curtis bitch off

chorus:

This goes out to my
Bad bitches raise your cup,
Taking your girl I dont give a fuck
I don't care what they say,
what they say

I swear you'll be glad that I took you home
everybody leave your man tonight
and when i'm done you can tell where she'll be tonight

Nigga, fuck yo bitch!

Bitch I'm on my B-I
All my bottles they be knee high

Woah! I walk in this bitch with a grip in my hand
I tell her I'm me, she jizz in her pants
She's shaking her it around and around, â€¦
Her coochie a club my stick is damn

I found 20,000 and she just found my dick,
Haha, so I guess we both just hit a lick!
I tell her w-w-welcome, welcome to the good life!
Heard you had a bad day, well, let's make it good
night!
If they say we ain't big
we'll turn this to a Sug Knight,
let's swim in alcohol and hop up on our red kush fly.
I'm Mr. Big, bitch! Yeah!

Chorus:
This goes out to my
Bad bitches, raise your cup
taking your girl I dont give a fuck
I don't care what they say,
what they say!
what they say!

everybody leave your man tonight
I swear you'll be glad that I took you home
and when I'm done you gonna tell where she'll be
tonight

Bro, why your girl up on me like I'm John Doe,
hanging out back stage, waiting for a photo
Oh you dance but yous a gogo but she look nice to
meet you,
No you dude fucking up he can't handle your model
features.
On a scale of 1 through 9, sorry shorty but you's a
dime,
No your man lost , not hesitate to make you mine,
I'm 'bout to snatch you up look a fool Mark it, time to
bag her up,

because I only got one night, and so we acting up
Girls get drunk bring them up, some much sluts so
much fun
So much ass that I can't get back
So I keep on going cause i can't get enough!
Little momma where you goin so much paper to be
made
So much rhyme until we talk â€¦
My girl prefer to give me brains
I must say, I must say,â€¦
Yeah girl you man from it, fire flame, fire flame
Fuck with us we all stuntin'
