[Verse 1 - Legacy]

Haha I always wanted to do this

1, 2, 3, 4

I might just let you meet my mom!

Last week my mom said I had too many girl friends

com in, in her house

She told me if I show her one more of my girlfriends,

She's kickin her out, her out, her out

But this girl, I got good feelings about, about, about

Not only is she a hottie, but she's a somebody

That's why this girl got me, got me like, I might just let
you meet my mom.

[Chorus]

I promised that I wouldn't bring in no more video
models or singer, you got me like

OOOOOOO

OOOOOOO

I might just let you meet my mom,

Your no model, no liar, no cheater, that's why I'm
taking you to go meet her,

You got me like,

OOOOOOO

OOOOOOO

I might just let you meet my mom.

[Verse 2 - Ben J]

I got a girl her name is perfect,

I lost the others but I think she's worth

Ahh I did do many foul things in the past

Now I'm settling down

Man I'm so happy I finally found someone my style,
style, style

Now that I think about it,

You exactly like me

Tell them haters bite me

I'ma make you wifey

You my girl

I probably might even let you go inside

You got me like

You got me like

[Chorus]

I might just let you meet my mom.
I promised that I wouldn't bring in no more video
models or singer,

You got me like,

OOOOOOO

OOOOOOO

I might just let you meet my mom,
Your no model, no liar, no cheater, that's why I'm
taking you to go meet her,

You got me like,

OOOOOOO

OOOOOOO

I might just let you meet my mom.

My mom actually likes you
I don't think you know how big that is
It seems like every girl that came around
She just kickin em, kickin em out and it's like you the
last one left.

Ayee girl,

You bad

Whats upp?

I might just let you meet my mom.

Bet you wanna meet my mom.

I might just let you meet my mom.

[Chorus]

I might just let you meet my mom.
I promised that I wouldn't bring in no more video
models or singer,

You got me like,

OOOOOOO

OOOOOOO

I might just let you meet my mom.
Your no model, no liar, no cheater, that's why I'm
taking you to go meet her.

You got me like,

OOOOOOO

OOOOOOO

I might just let you meet my mom.
