Ey, you can be my new girl  
Said you could be my new girl  
New boyz

(Verse 1:Legacy)

To keep it a hundred, I'm ready for the next chick  
My soon to be ex chick  
About to hit the exit  
And right after she leave I leave the key under the mat  
When you feelin' kinda lonely you be free to come and  
chat  
Know you heard them f-in' rumors like I beat then leave  
But straight drop that's just gossip, TMZ  
Guess the princibal is, I don't give no referrals  
Check into my district, You can be the new girl. Hey

(Bridge:D&D)

(I have) so many girls that fade away  
(In my past) that I don't think it's safe to say  
(I have) but I think that change today  
You made me think in a major way

(Chorus:Legacy)

You could be  
(My, my, my, my, my) You can be my new girl  
(My, my, my, my, my) You can be my new girl  
(My, my, my, my, my) You can be my new girl  
Out with the old, and in with the new girl

Verse Ben J

I guess I seen the beauty of my life cause she was a  
beast  
A typical freak, She made it with me  
How did she end up being caught up all in my world  
Cause now, I just imagine baby you can be my new girl  
No jokes, no games, I'm feelin' you a whole lot  
I ran into you, with no turns, it was a roadblock  
Thinkin' to myself, I had one of them past, that didn't  
last  
A chick with no class, it was so bad  
Damn, and now we in 2009  
I'm tryna make you my summer girl, you got a dope

mind  
Let's go to Texas, Arkansas, Arizona,  
We can go to Michigan or live life in California,  
My new girl

(Bridge:D\$D)  
(I have) so many girls that fade away  
(In my past) that I don't think it's safe to say  
(I have) but I think that change today  
You made me think in a major way

(Chorus:Legacy)  
You could be  
(My, my, my, my, my) You can be my new girl  
(My, my, my, my, my) You can be my new girl  
(My, my, my, my, my) You can be my new girl  
Out with the old, and in with the new girl

(Verse3:D&D)  
Every time I look into you eyes  
I wanna feel fireworks on my insides  
You'll be here for me when I don't know what to do  
I need a new girl  
I need a girl to give me some good lovin'  
Cause I'm known as McLovin  
I need a girl that's fresh and fly  
We could stay together through the end of time

(Bridge:D\$D)  
(I have) so many girls that fade away  
(In my past) that I don't think it's safe to say  
(I have) but I think that change today  
You made me think in a major way

(Chorus:Legacy)  
You could be  
(My, my, my, my, my) You can be my new girl  
(My, my, my, my, my) You can be my new girl  
(My, my, my, my, my) You can be my new girl  
Out with the old, and in with the new girl
