New Boyz (New Boyz)
Hey (Hey)
But it was just a 1 night stand

[Chorus: Legacy (Ben J)]
She thought I said I loved her (She thought I said I
loved her)
I think I said I love you (I think I said I love you)
But baby I'm hung over (But baby I'm hung over)
And you need to realize (Realize)
(Hey, Hey)
That this was just a one night stand

[Legacy XD:]
I'm turnt up,
Jus hit the fun shit
Lookin for a bad bitch with da Gucci pumps and shades
Tryna find the one that'll come and
Jus get to lunch and
Jus get to humpin
Check, mark, there goes one
No acne with her hair all done
Got her make up on, Bracelet on
And them heels make me wanna take that home
Should I take her to my room? (Quick...think)
I took her to my room, then we (Hit...6)
Counters, Dressers
She's fierce
We got done told her you can sleep here
The next day I woke up at 12 at noon
I rolled over n I screamed "who the hell are you?!"
The fat chick said "Damn don't remember me baby?"
This shit crazy!

[Chorus: Legacy (Ben J)]
She thought I said I loved her (She thought I said I
loved her)
I think I said I love you (I think I said I love you)
But baby I'm hung over (But baby I'm hung over)
And you need to realize (Realize)
That this was just a one night stand

[Ben J:]
Look, Look
I'm turnt up yeah I know how it gets

I got a chick who wanna kick it now she wanna hit
I don't blame her she knows what's up
I said "what's up?"
She came with the pumps and she turned me up
She was kute, makeup, nails and feet done
Long hair, orange back now that's a reason
To give in..Yu know what's up lil mami
We both faded feelin all types a naughty
She wanna wait to go full force
But I only got one night in my source
I endorsed the fact n attacked the drink in me
The freak in me, the kink in her she came to see me
And I ain't gon stand around
I'ma take her to the telly, we can both roll around and
(Ha-ha)
And I ain't gon let her in I'ma kick her ass out it's a one
night stand
(Ha-ha)

[Chorus: Legacy (Ben J)]
She thought I said I loved her (She thought I said I
loved her)
I think I said I love you (I think I said I love you)
But baby I'm hung over (But baby I'm hung over)
And you need to realize (Realize)
That this was just a one night stand

A one night stand...(Heyyy)
Yur breath stink...
I never liked you...
Baby I was just drunk...

[Chorus: Legacy (Ben J)]
She thought I said I loved her (She thought I said I
loved her)
I think I said I love you (I think I said I love you)
But baby I'm hung over But baby I'm hung over)
And you need to realize (Realize)
That this was just a one night stand
