[Legacy]

I must be d-o-p-e by the way the girls react

When they see me

They screamin so loud that they voices crack

Just like that

She never met a jerk like I

Told me that she love it when I sport my tie

With a t shirt on like that is so dope

Told her why you actin thirsty get back in yo boat oh

bitch

You weary I'm leanin on this dope beat that aint
breathin

Murdered it

Buried under your knees

And I clip that track like I cut a girl weave

I got my SB skinny jeans vest and a top hat

Fist so new chris couldnt even rock that

Always askin how I get my wealth

Cuz I'm dope and a dealer I sell my self

You are so dope [repeated... repeatedly.]

[Ben j talking]

You already know what it is cuz I already know

If your cute raise your hand

[Ben j]

Ben the thing about ur steeze is it's great

Can't really argue like speech and debate

Grab a honey on the side get a drink and we shake

People say that they fresh so I keep a stale face like no
You know I got bars like soap
And you wonder why I celebrate the trees cuz I'm dope
Got my skinny jeans on fresh shirt matchin hat
And you know how I get more head then a fitted cap
I'm heavy hittin get up in it in a minute imma get it flip it
work it bring it back now you know I'm really crack
Imma stop it then I start to come back
Ben j where you from new boyz it's a wrap
Look bro I don't chase no girls and you wonder why
they chase me
Cuz my name is earl
I got four, five chicks
And you know they all choke
And they told me lil daddy you so dope

You are so dope [repeated... repeatedly.]

This beat
This beat
This beat is on fire
We don't need no water
We just let this function jerk
Jerk
Jerk
We just let this function jerk
Jerk
Jerk
We just let this function jerk
I'm dope

You are so dope [repeated... repeatedly.]
