Ay,Ay

She aint gon tie me down

She aint gon tie me down

(Ray-J)

She aint gon tie me down

So why you on the road

Buyin all the shirts

All the hats,

All the clothes

Wutchu want rite now

What up right now,

I think you need to close yo mouth

Cuz you aint gon tie me down,

tie me down, tie me down

You aint gon tie me down(Repeat2x)

Legacy)

Know we been together for a minute

But uhh, it's kinda been forever since we been in

The kinda situation not involving other women

And it's pretty obvious that you're kinda trippin, like

Who the hell is this bitch lookin a hot mess

What you fell for this chick

You know we got problems and you failed to fix it

I'm like, you need to go somewhere else with this shit

Cuz I aint gon put up wit you

Talkin bout how she make you uncomfortable

I mean, shit I'm only 17

And uhhm ahh, a perfect couples only in a dream

And right now I'm pretty much away for this
relationship

I think we should wait for it

I mean later we can try things out

But not right now

(Ray-J)

She aint gon tie me down

So why you on the road

Buyin all the shirts

All the hats,

All the clothes
Wutchu want rite now
What up right now,
I think you need to close yo mouth
Cuz you aint gon tie me down,
tie me down, tie me down
You aint gon tie me down(Repeat2x)

(Ben J)
Ha, Ha
Yea
Look
ayee girl whatup
No I'm not gone make a scene

But you cant tie me down like a pair of shoe strings
Yea you cute, so what
But let's get it through your head
Yea we make love, sex, weed all in the bed
It's the best thing i love a bout you
But things dont change
When I'm not faithful
You be feelin more pain
Now you stuck like a stain and I cant believe that
Baby girl one hundred,I aint tryna do that
Got too many girls and I aint letting go
Cuz my life is great
And you aint nothin but a hoe
Yea you come to my shows and your very supportive
Just showed me a camera and my show recorded
It was nice
I'm surprised that you still standin here
Ay yea you know I'm a man
And I have no fears
Imma start from the top,
Girl this aint no lovin
Im a New Boy, girl so

(Ray-J)
