You're a nerd (x15)  
You're a nerd, nerd, nerd, nerdy  
Nerd, nerd, nerd, nerdy  
Nerd, nerd, nerd, nerdy  
Nerd, nerd, nerd, nerdy  
Nerd, nerd, nerd, nerdy  
Neeerrrrddd

I'm a smarty misfit  
Though you laugh mom says I'm gifted  
Girls think I'm creepy everytime I stop and say  
"I can fix your ipod in return for a date"  
And at school bullies pick on me  
Wedgies take my lunch money  
Don't fight back cause once when I tried  
Everybody just laughed and said "you're a nerd"  
But they're just lucky this isn't warcraft  
Cause I'm a level 60 mage with an oracle staff  
Plus ten attack with extended range  
He'd be sorry he took my change  
But I was lookin' to the left  
Lookin' to the right  
Avoiding the bully, not looking for a fight  
But then he found me but I made him a deal  
That I would do his homework every day for a year

Sine cosine cosine sine  
Three point one four one five nine  
My homework, is already done  
So I think I'll read the dictionary just for fun  
You're a nerd (x15)  
You're a nerd, nerd, nerd, nerdy  
Nerd, nerd, nerd, nerdy  
Nerd, nerd, nerd, nerdy  
Nerd, nerd, nerd, nerdy  
Nerd, nerd, nerd, nerdy

I like it quiet in the library  
I come here every single day to study  
Mondays through fridays and even weekends  
All these books are my best friends  
But don't get me wrong I like to have fun

But I don't like to party cause it just seems dumb  
Dancing in the club is just not my thing  
My computer's better anyway, it blinks to the beat  
So when I'm bored I use my calculator  
To recreate these graphs that I had on paper  
Trust me it is loads of fun  
Using two TI-83's instead of one  
So though my glasses are taped in the middle  
And my pants are short by just a little  
Teachers think I'm pretty cool  
There's nothing wrong with liking school

[Chorus]
