Whad up dawgs tejb here, to tha face to tha face. I am sitting here gaming on a Friday night again.

God I wish I was as good with the ladies as I am with quick scoping.

You know, Efft it!

Gonna tell the guys that we have to do something else tonight; i think we are gonna go party and show the world that a gamers can get girls. Because gamers are pretty god damn awesome.

Verse:

Iâ'm sure youâ've heard of this before  
that gamers are a bore  
and they never get to score.

I think itâ's time for them to stop pretend,  
get a girl and break the trend  
And prove the rumors wrong

So watch out they are going out to night  
Tejbz and the boys are gonna break it down.

chorus:

I do believe heâ's more than a failure WOAHH  
OOOOOOH!!!  
tejbz rocks the house â"TO THA FACE TO THA FACEâ"

Without a doubt he is growing famous WOAHH  
OOOOOOOH!!!  
fratboys you better watch out â"TO THA FACEâ"

Verse:

Heâ's really not the dance floor king  
and have no money to spend on bling  
and hope you never hear him â"singâ"

Even though this might be true  
He's got more nukes than you  
and tonight he scores.  
So watch out they are going out to night  
Tejbz and the boys are gonna break it down.
