Don't mess with Dr. Dream - don't mess with Dr. Dream -

Come lay your head down on the stone

So cool and white and welcome home.

Oh

Lose your troubles

Ease your pain

Soothe your soul in golden rain.

Blue marble seas - I will make you feel so good - roll
over me.

Blue marble dreams - I like you always knew you would
roll over me.

Don't mess with Dr. Dream

Don't mess with Dr. Dream

He's not one for sympathy.

Don't mess with Dr. Dream

Don't mess with Dr. Dream

He will bring you to your knees.

In the hours before the dawn you curse the day that
you were born.

Those demons scream in ecstasy and you crawl
around in agony.

Doctor jeers and fades away

Yeah

This is the price that you must pay.

Blue marble seas - I will make you feel so good - roll
over me.

Blue marble dreams - I like you always knew you would
roll over me.

Don't take that

Take this - take this !

He's not one for sympathy

He will bring you to your knees.

Oh
Lose your troubles
Ease your pain

This is the price you must pay.

Don't mess with Dr. Dream

Don't mess with Dr. Dream
He's not one for sympathy.
Don't mess with Dr. Dream

Don't mess with Dr. Dream
He will bring you to your knees.

Don't take that
Take this !
