"Flesh And Blood"

I'm seeing your face for the very first time
Seems so familiar to me
I'm hearing your voice after waiting so long
It's like waking up from a dream
(chorus)
Flesh, blood
Dance with gods above
Flesh of my flesh, blood of my blood
What shall I call you?
I'll call you love
I moved the heavens; I moved the earth
I made war with angels for all I was worth
I counted the ways; I counted the hours
I made love to demons; yeah, I was the power of
(REPEAT CHORUS)
If all of my days and all of my nights
Just came to nothing there would still be a light
For I am of you and you are of me
Until the time that we are free of
(REPEAT CHORUS)
I'll call you
