Sometimes feels like
I'm gonna break
Sometimes this world
Gives more than I can take

Sometimes sunshine
Gets lost in the rain
And it keeps pouring down, it just keeps comin' down

This life would kill me
if I didn't have you
I couldn't live without you baby
I wouldn't want to
If you didn't love me so much
I'd never make it through
Cuz this life would kill me
This life would kill me
if I didn't have you

You are my heart
Every breath I breathe

I'm safe in your arms
You rescue me
When I'm weak you're strong
If you were gone
I don't know where I'd be
You were made for me

This life would kill me
if I didn't have you
I couldn't live without you baby
I wouldn't want to
If you didn't love me so much
I'd never make it through
Cuz this life would kill me
This life would kill me
if I didn't have you

If you didn't love me so much
(if you didn't love me so much)

This life would kill me
if I didn't have you
(this life would kill me)
Couldn't live without you baby
I wouldn't want to

If you didn't love me so much
I'd never make it through
Cuz this life would kill me
This life would kill me
if I didn't have you
