No cash in my pocket
No clothes in my closet
Can't get my head to do a damn thing
The damn dog's barking
The car ain't starting
Why is always rainin' on my parade

It's one of those days, one of those days
One of those days when nothing goes right
One of those days, one of those days
One of those days when you're hatin' life
It's one of those days

I said don't worry 'bout the dishes
I'm gonna take you fishin'
Kissin' all night down on the creek bank
A little skinny-dippin'
Some moonshine sippin'
Come on, baby, tell me now what do you think?

It's one of those days, one of those days
One of those days when everything's right
One of those days, one of those days
One of those days when you're lovin' life
It's one of those days

Now we're hoppin' in the truck
The radio cranks up
We can't get there fast enough
'Cause it's one of those days
One of those days

It's one of those days, one of those days
One of those days when everything's right
One of those days, one of those days
One of those days when you're lovin' life
It's one of those days
Yeah, it's one of those days
