I had a dream, a dream that would make you scream  
I was climbing inside a brilliant mind  
I was gathering flowers at the bottom of the ocean  
And laughing to myself in real slow motion  
(chorus) Lying in the gutter  
Shooting up the stars  
I'm driving in Salvador Dali's car  
(He's driving in Salvador Dali's car)  
Yeah I'm driving but I just can't get that far  
I was dancing with the daughter of Harry Dean  
Wearin' a pair of boots that didn't belong to me  
And there were half a dozen cowgirls doing much the  
same  
And for one sweet moment I forgot my own name  
(REPEAT CHORUS)  
I wanna feel it  
I wanna feel it  
Yeah Yeah Yeah Let's go  
I was drawing up plans to save the world  
From all the evil hearts and all those skinny girls  
Then I realised I was wasting all my time  
'Cos it was just another movie playing in my mind  
(REPEAT CHORUS x 2)  
So let's go  
C'mon C'mon let's go  
Let's go
