She looks like sex, sex, sex, sex  
She looks like sex, sex, sex, sex  
She looks like sex, sex, sex, sex  
Sex

Sex, sex  
She looks like sex  
Sex, sex  
Oo-oo

She looks like sex  
Maybe not yet, but don't fret  
I bet if you get drunk suddenly you'll be dead set  
On getting it in  
You mess with the gin  
And you'll end up convinced you had sex with a 10  
So full throttle  
Order another bottle  
And shot after shot will transform her into a model  
Mike posner on the refrain  
'Cause you know beer goggles are hell of a thing

That ass makes me wanna oo-oo  
You know exactly what you do  
How I'd really like to take that home  
Everybody here knows...

She looks like sex, sex, sex, sex [4x]  
She looks like

When I crack a six pack and chase it with patron  
Every girl looks like catherine zeta jones  
So I show up to the club, and I stand at the door  
Waiting on the perfect girl whose standards are low  
I take jameson and take it with no shame  
And change any dame to jenna jameson  
Mike posner on the refrain  
'Cause you know beer goggles are hell of a thing

That ass makes me wanna oo-oo  
You know exactly what you do

How I'd really like to take that home  
Everybody here knows...

She looks like sex, sex, sex, sex [8x]  
She looks like

Break it down

Sex sex  
She looks...  
Sex  
Sex sex  
Sex sex  
She looks like sex  
Sex, sex  
She looks like sex
