(chorus)

When I see you it's just like takin' some drug,

Takin' some drug,

Takin' some drug

When I see you it's just like takin' some drug,

Takin' some drug,

Takin' some drug

It's calm a little while

Why can't I stop?

I watch your funny smile

The air is hot

(REPEAT CHORUS)

The clock says half past one

Turn on the light

Drink coffee now and then

It's getting late

I listen to the night

You read a book

You ask me questions and away I look

And I say

(REPEAT CHORUS)

I know conversation is nothing to you

Get lost in creation is all I can do

All I can do

All I can do

All I can do

All I...

(REPEAT CHORUS)

Look at some people

Look at yourself

Why don't you worry about your physical health

(REPEAT CHORUS x 3)

Drug...Drug

Drug...Drug

Takin' some,

Drug...Drug

Takin' some,

Drug, Drug

Drug, Drug

Drug, Drug
