WIKSTRÅ-M/WINTER

She came in like thunder
On a stormy night
From the cold dark under
Shining so bright
She had the power to tempt me
And she knew it well
I had started falling
Under her spell
She knocked down my senses
Loved me to the ground
One of a hundred romances
She had laid down
But you can't turn back
On a one way line
It's a beaten track
And you're running out of time

Fallen angel
You can't keep me
Fallen angel
Let go and set me free

You'd better stop this game you play
'Cause you won't stand a chance
I will turn on the flame again
Burn down Your defence
Cause you can't turn back
On a one way line
It's a beaten track
And you're running out of time

Fallen angel
You can't keep me
Fallen angel
Let go and set me free
